

Shell Experiential Learning Opportunities Fund Application

Shell Experiential Learning Opportunities Fund (SELF)

- Shell Canada Ltd. has donated \$220,000 over three years to cover Queen's University undergraduate student projects, activities or events related to the Energy industry,
- Funds are available to students in the Faculty of Engineering and Applied Science, the Geological Sciences program and the Commerce program
- Funding may be used for student club initiatives, student projects, attendance at Energy related conferences and workshops, field trips etc. which are endorsed by Queen's and are related to their studies.
- There will be two granting cycles each year with five in total from 2012-2015 (see below)
- Students/Student groups and teams wishing to apply for SELF funding are to submit their requests to ShellSelf@queensu.ca by the appropriate deadline.

Application Deadlines 2012/2015:
